1.1 The Company shall not account to the Client for profits or interest earned on Client money (other than profit gained through trading Transactions from his Client Account(s) under this Agreement) and the Client waives all right to interest.

1.2 The Company may deposit Client money in overnight deposits and will be allowed to keep any interest.

1.3 The Company may hold Client money and the money of other clients in the same account (omnibus account).

1.4 The Company may deposit Client money with a third party (i.e. intermediate broker, a bank, a market, a settlement agent, a clearing house or OTC counterparty or a payment service provider) who may have a security interest, lien or right of set-off in relation to that money.

1.5 Client's money may be held on the Client's behalf with a third party as indicated in point 1.4 above located within or outside Seychelles. The legal and regulatory regime applying to any such person outside Seychelles will be different from that of Seychelles and in the event of the insolvency or any other equivalent failure of that person, the Client's money may be treated differently from the treatment which would apply if the money was held in Seychelles or by the Company directly. The Company will not be liable for the solvency, acts or omissions of any third party referred to in this paragraph.

1.6 The third party to whom the Company will pass money may hold it in an omnibus account and it may not be possible to separate it from other Client's money, or the third party's money. In the event of the insolvency or any other analogous proceedings in relation to that third party, the Company may only have an unsecured claim against the third party on behalf of the Client, and the Client will be exposed to the risk that the money received by the Company from the third party is insufficient to satisfy the claims of the Client with claims in respect of the relevant account. The Company does not accept any liability or responsibility for any resulting losses.

1.7 It is understood that profit or loss from trading is credited or debited in the Client Account once the Transaction is closed.

2. Lien

3.2 If the aggregate amount payable by one party (in the calculation of the amount payable by the Client, the following shall be taken into consideration: any legally binding claims related to the Client emanating from law, compliance rules/card schemes/acquiring banks/payment processing service providers/ payment services operators requirements, as well as if it is required by any relevant authorities) exceeds the aggregate amount payable by the other party, then the party with the larger aggregate amount shall pay the excess to the other party and all obligations to make payment will be automatically satisfied and discharged.

5.4 In case the Client Account is closed, the Company reserves the right to withhold, under the general right of lien under paragraph 2 of Part B of this Client Agreement, for any period the Company considers necessary, any amount it considers appropriate in order to cover any possible legally binding claims that may occur in the future related to the Client, emanating from applicable law, compliance rules/card schemes/acquiring banks/payment processing service providers/ payment services operators' requirements, as well as if it is required by any relevant authorities.

Information about the time frames during which increased Margin requirements are in effect is published in the Client's Personal Area and/or on the Company's Website.

4.1. The Company will provide Portfolio Manager with two options for managing Fund Investments – so called allocation types. The Portfolio Manager should choose between “lot allocation” and “equity allocation” when creating a Fund. The Company reserves the right to not provide one of those options to any Portfolio Manager on its own discretion.

4.3. The Client acknowledges and agrees that for Funds with lot allocation:

- A. all Orders made by the Portfolio Manager will be followed and copied by the Fund Investment subaccount in accordance with the copy coefficient as indicated on the Company's Website and/or on the Portfolio Management mobile application;
- B. variations in the Orders' pricing may occur from the moment that the PM Investor made a Fund Investment to a specific Fund to the actual moment when an Order opened by the Portfolio Manager, under the specific Fund, was copied to the Fund Investment subaccount;
- C. the Company reserves the right at any time with or without notice to close and/or pause and/or suspend and/or stop copying any Portfolio Manager's account(s), and/or Fund and/or Order either of the PM Investor or Portfolio Manager.

4.4. All Fund Investments made to a Fund with “equity allocation” will be deducted from the Wallet/s and allocated to the master trading account of the Portfolio Manager connected to that specific Fund and the total amount of money will be displayed as available for trading by the Portfolio Manager. Orders placed by the Portfolio Manager will be split proportionally to the PM Investors in accordance to the respective Fund Investments being made. Only new Orders performed by the Portfolio Manager under the specific Fund will be allocated to each Fund Investment.

4.5. The Client acknowledges and agrees that for Funds with equity allocation:
